

At Hove Juniors we aim to celebrate the diverse range of cultural and religious heritages that our children bring to us. To help us achieve this we would welcome your support and would like to encourage the children to share with us their experiences.

Throughout the school year we deliver assemblies and teach lessons relating to Buddhism, Christianity, Hinduism, Islam and Judaism. There are a variety of ways in which you, as Parents and Carers, could help support and enrich this learning. If you are interested in helping please let us know.

In our RE lessons his term we will be looking at:

Year 3          Islam

Year 4          Rites of passage, with a focus on how babies are welcomed into religious communities

Church buildings

Year 5          Creation stories from around the world

Ethical issues (linked to space travel and treatment of animals that have travelled into space)

Year 6          the role of Angels in Judaism, Christianity and Islam

Islamic Art

To help support the children and bring alive their learning we would like to hear about the children's own experiences linked to these topics. Our children are welcome to bring in artefacts, photographs and recounts of their experiences to share in class.

As we are looking at Islam this term it would be great if any of our Muslim parents were able to share their experiences of Hajj and Ramadan with us.

Please contact the School Office if you can help.

Thank you Ms Haining - RE Subject Leader
