Diary Writing

Perhaps you could keep a diary of being off school? This is the first time our generation has ever had this kind of experience and it could be really interesting to look back on.

Science Projects

Visit Science Bob's website:
<https://sciencebob.com/>

There are so many amazing home experiments to try out and videos to watch.

Personal Interests

Now's the time to work on a project of **your** choice! What are you passionate about or interested in?

Research Create Present Record

Write a Book

Yes - a book! With chapters! Why not, you have time!

Who could your character be? What problems could they solve? Will it be a mystery, adventure, romance?

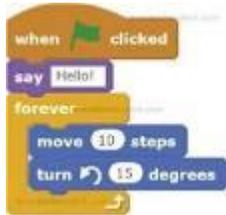

Maths Game

We all love a good game to bring out our competitive side. Design a Maths game that your family can play together.

Computing

Put your coding skills to the test; get yourself onto Scratch online. You can play explore other people's creations and get creative with your own!

TT Rockstars

Why not challenge your classmates, or even teachers, to a Rock Slam on TT Rockstars? Could you return to school a Rock Hero?

Art

We've enjoyed learning about Frida Kahlo but let's try a different style - your own! Have a go at sketching, collage, painting, junk modelling in your own, favourite style.

Learn a New Language

Download the Duo Lingo app (or another similar app) to brush up on your French or even try a totally new language!

Get Active

Don't stop moving even if you're stuck inside!

- Follow a yoga tutorial
- Complete a Joe Wicks Kids workout
- Copy or choreograph a dance to your favourite song
- Create an obstacle course in your house

Ready, Steady, Cook!

Help your family to cook a meal! Could you write down instructions for somebody else to follow?
