

# Music Home Learning

You should have been given a YUMU username and password.  
When you log in, you should see this:

Check out the different boxes for instruments lessons, songs and games!

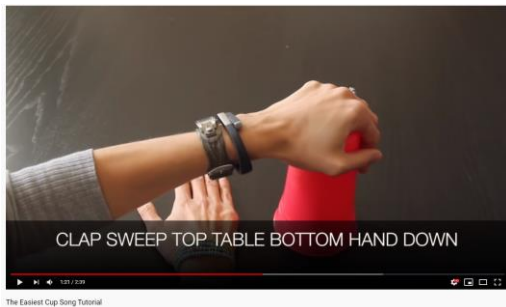

Click on assignments to see songs and activities from your teacher. Use the menu on the right to complete different stages of the lessons.

## Percussion at Home

Why not follow the Beat Goes On body percussion tutorials which will be updated throughout the next few months?

<https://www.youtube.com/user/OllieTunmer>

Learn how to make different sounds with your body, copy and create rhythms!

Or try to learn the cup song rhythm..

<https://www.youtube.com/watch?v=Y5kYLOb6i5I>

Hand Clapping Game "Sevens"

This clapping game will help you to keep a regular pulse!

<https://www.youtube.com/watch?v=3knQAUN1kcY>

## QuaranTUNES

When stuck inside, it is always good to enjoy music, whatever mood or genre.  
Can you learn the lyrics to your favourite song and perform it?

Do you know anything about these genres? Can you find out about them and make a list of your favourite songs from each genre?

Here are some ideas to start you off.

Jazz	Latin	Folk	Soul
The Aristocats - Everybody wants to be a cat	Oye Como Va (Santana)	This Land is Your Land (Woody Guthrie)	Aint No Mountain High Enough (Marvin Gaye & Tammi Terrell)
When The Red, Red, Robin Comes Bob, Bobbin' Along	Living La Vida Loca (Ricky Martin)	Riding in my Car (Woody Guthrie)	Sitting on the Dock of the Bay (Otis Redding)
Slim Gaillard - "Potato Chips"	Chan Chan (Buena Vista Social Club)	May-ree Mack Last Night I had the strangest Dream (Pete Seeger)	Respect (Aretha Franklin)
Classical	Pop	Rock	Reggae
Four Seasons (Vivaldi)	I saw her standing there (Beatles)	Eye of the Tiger (Survivor)	One Love (Bob Marley)
Magic Flute (Mozart)	Thankyou for the Music (Abba)	We Will Rock You (Queen)	Small People (Sesame Street)
Moonlight Sonata (Beethoven) (BBC Ten Pieces Website)		Smoke on the Water (Deep Purple)	54-46 That's My Number (Toots and the Maytals)

There are lots more genres to explore! What other music can you find from around the world and back in time?

## BBC Ten Pieces

Have a look at the BBC Ten Pieces website to explore classical music. You could draw while you listen, being inspired by how the music makes you feel. You might just have wiggly lines, or visualise whole scenes. Think about the how music might represent different colours or moods.

**TEN PIECES**  
GET CREATIVE WITH CLASSICAL MUSIC

### Primary resources - KS2 / 2nd Level

BBC Teach > Ten Pieces

#### Pick a piece and get started!

Explore the stories and secrets hidden in these classical pieces of music.

For each piece you will find free teaching resources, exciting short films, lesson plans, arrangements and more.

*Resources are suitable for KS2, and Second Level in Scotland.*

Look out for our shooting stars to guide you to our Trailblazers resources!

 <p><b>KS2: Grażyna Bacewicz – Overture</b></p> <p>Primary classroom resources for Ten Pieces Trailblazer Grażyna Bacewicz, who broke new ground as a female composer in Poland.</p>	 <p><b>KS2: Johannes Brahms – Hungarian Dance No. 5 in G minor</b></p> <p>Primary classroom resources for Ten Pieces Trailblazer Johannes Brahms who was inspired by Hungarian folk music.</p>	 <p><b>KS2: Delia Derbyshire – Doctor Who Theme (original theme by Ron Grainer)</b></p> <p>Primary classroom resources for Ten Pieces Trailblazer Delia Derbyshire who launched a whole new world of music.</p>
