Dear 6 Red,

I hope you're all keeping safe and well- I can't tell you how much I'm missing the fantastic team that is 6 Red. Life is very quiet without you all!

You are all in my thoughts a lot but I know that as such a positive and resilient group of children, you'll all be taking this in your stride and trying to keep your spirits up- for that I am so incredibly proud of you. This is a strange and challenging time that we all find ourselves in and I'm sure you've all felt a mixture of emotions over the past few weeks- boredom, frustration and sadness perhaps- but I also hope you've found some joy in slowing down and spending time at home with your families.

I too have been trying to keep myself as busy as possible over the past few weeks. I've been making myself go for a run each day which I've been really enjoying and it's been so lovely to see so many children from school out and about for their daily exercise with their families- I'll be expecting even bigger waves and smiles from you lot if I see any of you! I am also enjoying having the time to work my way through the enormous pile of books and TV series that I've been wanting to work through, as well as video calling with lots of friends and family who I miss so much!

By the time you receive this letter, I'll be back at school after the Easter break which is very bitter sweet- it's lovely to spend some time doing lots of fun activities with the children of our fantastic key workers (shout out to Tom for representing 6 Red...!) but it's also very sad not having the rest of you there- schools are very lonely places without all of their amazing children. If you get a spare moment I'd absolutely love to hear how you're doing and what you've been up to, so please write back using the school's address- your letters will make my day!

I hope to see you all very soon.

Lots of love,

Miss Tagg
