

Hello Fabulous 4 Green!

Check out my new lockdown beard!

We hope you are all doing well and that you had a restful Easter holiday. Hasn't the weather been amazing! We've really missed seeing you in school and being able to teach you. Please don't put pressure on yourselves with the home learning: the most important thing is to stay safe and happy.

Lockdown can be tricky, but we hope that you have found some ways to enjoy it. I built a Lego tower THAT REACHED THE CEILING! We are really excited about **Google Classroom** starting this week...if you are able to use it, please send us some messages in the **4Green classroom** to say how you are doing and what you've been up to!

**From Mr. Wood
& Mrs. McCulloch**
