

Hello 3 Amber,

Miss Anglada and I decided we would like to write to you to see how you all are and let you know how we are and what we have been doing while we've not been in school.

We both hope you are all keeping safe and enjoying time with your families. We are really missing you all.

First of all I thought I'd tell you what I've been up to. I have been going to the farm where our donkeys live because all the animals still need feeding and cleaning out and looking after. We have to be very careful not to get too close to anyone, but that is quite easy at a farm as it's just us and the animals. It has been lambing time for the last three weeks so it has been extremely busy. 100 ewes were expecting lambs, a mixture of twins, singles and even triplets. It has been very exciting to go into the big barn each morning to see the newborn lambs. There are just 7 ewes left to lamb now. The donkeys are enjoying the warm weather and are now shedding their winter coats, so need brushing. We usually take them for walks on the Downs, but they aren't allowed out of their paddock at the moment. The grass is beginning to grow strongly now, so they seem quite content with that. Rolo, our donkey we rescued from France, is starting to become much more confident and affectionate. He had quite sore hooves during the winter, so Mr Thomas and I had to bandage them everyday. Now he is really beginning to trust us, which is lovely. All the geese and hens are laying eggs after having a little rest during the winter months and are VERY noisy when they have laid an egg. I think they want everyone to know how clever they are! I've also been doing keep fit with Joe Wicks on the tv and lots of cooking and baking too...using all those eggs! I've done lots of work in the garden, planting seeds and getting our vegetable patch ready for planting. And of course, I've also been planning lots of exciting lessons for your home learning too.

In my case, Miss Anglada, I have been busy baking and crafting and enjoying my bike rides along the seafront. I have started a few projects cross-stitching, knitting, sewing and painting. I've been listening to loads of music and doing yoga and working out online. And of course, watching Disney films!! 😊 It was lovely to see some of you with your families on the street enjoying the warm weather and getting the daily exercise in!

We added some pictures for you to see what we've been doing these weeks!!

Keep well and stay safe.

Love from,

Mrs Thomas and Miss Anglada
