

Hello 4 Amber!

How are you all? We do hope that you are all okay. It seems like such a long time ago that we were in class reading *Odd and the Frost Giants* together and creating our wonderful animal artwork. Can you remember that far back? We really miss being with you all.

How are you finding learning at home? At times, it must feel like a challenge, but we know that you will be trying your best. Spending so much time indoors with your family is something we are not used to doing! We would love to hear what you have been up to and how you are passing the time. What new things have you learnt? Have you been busy making and creating things? Have you found more time to practice something, for example, an instrument? Maybe you have been helping with the cooking and the housework! We would love to hear all your news.

Mrs Giles has been busy entertaining her 5 year-old twins Eliza and Charlie who are full of energy! They are learning to read and write and have been playing lots with each other. They both love playing with Duplo and Lego and like to make up stories and games with that. They also enjoy going through the recycling box and making strange and wonderful creations. There are of course a few sibling squabbles too which is to be expected! When Mrs Giles gets a moment to herself, she likes to potter in the garden, read her book and bake. She also tried making her own pizza dough for the first time. What do you think?

Mrs Giles' homemade pizza!

Ms Haining has found it really strange not seeing you all, especially as she had just come back to work! She can now walk without crutches and walk up-stairs; going down is still a little tricky! She is doing lots of knee strengthening exercises as she is dreaming of getting back on her bicycle again. At home she has been sewing lots of creations - some lovely summer dresses and a few disastrous attempts at shorts (maybe good for a three-legged alien)!

Now that Google Classroom is almost set up properly, we will be able to communicate with each other more. If you have any questions or you are unsure about anything, please just ask. We hope you will enjoy the online learning, but if it all begins to feel too much, keep calm and just do what you can!

Take care and stay safe, Mrs Giles & Ms Haining xx
