Tuesday 28<sup>th</sup> April 2020

Dear Parents & Carers,

We would like to draw your attention to a variety of websites offering free resources to support learning during our partial closure. You may want to access these to support and/or supplement the maths work available on Google Classroom and our school website. If you have any questions or need further guidance please let us know.

## Suggested Websites

- <https://mathsnoproblem.com/en/programs/school-at-home/>  
<https://mathsnoproblem.com/blog/teaching-practice/home-school-maths-learning-resources/> - **Maths No Problem!** is the scheme we use in school. You can use your **parent login** (Remember to email the school if you would like a login) to access the lessons we use in school and the resources. There are also online videos, activities and top tips to support you at home.
- <https://www.ncetm.org.uk/resources/54454> - Daily interactive videos which follow the schools Mastery Approach to mathematics. These have activities, lessons and tips for home learning.
- <https://whiterosemaths.com/homelearning/> - Daily lessons with interactive videos and activities.
- <https://nrich.maths.org/14600> - A range of activities and games that are great fun to work on at home.
- <https://trockstars.com/> - All children have a login to access this website for interactive games they can play with their school friends.
- <https://pages.sumdog.com/> - All children have a login to access this website for interactive games they can play with their school friends.
- <https://www.bbc.co.uk/bitesize/dailylessons> - Daily lessons uploaded with videos and activities
- <https://mathsframe.co.uk/en/resources/category/22/most-popular> - Very popular with the children and has many online maths games.
- <https://www.educationquizzes.com/ks2/maths/> - Fun KS1 and KS2 maths quizzes for all areas of the maths curriculum.
- <https://home.oxfordowl.co.uk/kids-activities/fun-maths-games-and-activities/> - Online activities and resources that can be printed. These are sorted by age and year group.

Hove Junior School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

- <https://mathszone.co.uk/> - Online maths games and activities (Hit the Button is a popular game we use in class).

We hope you are keeping well and that the children are able to access some of the learning on Google Classroom and/or on the website at a manageable pace.

Stay safe and best wishes,

Charlotte Hudson and the Maths Team

Hove Junior School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
