Dear Parents and Carers,

I am delighted to share with you that this school year our Year 3 pupils will be continuing to use Seesaw as part of their computing curriculum in school (<http://seesaw.me>), a secure online journal where students can document and reflect on what they are learning in class. Your child will be able to add the things we work on (including photos, videos, worksheets, drawings and voice recordings) to their Seesaw journal.

In the event of home learning having to be implemented, the platform will be our primary method of communication and completing learning tasks for pupils and their teachers.

In order for your child to use Seesaw, the app needs your child's name in order to be able to associate work like their photos, videos or voice recordings with their account. Seesaw only uses this information to provide the service and doesn't advertise in Seesaw, create profiles of students, or share or sell your child's personal information or journal content. You can read more about their strong privacy promises here: <https://web.seesaw.me/privacy>.

Under an EU law called the General Data Protection Regulation (GDPR), in order for your child to use Seesaw, the school must get your consent. For more information on GDPR, please visit <https://ec.europa.eu/info/law/law-topic/data-protection/reform/rights-citizens>.

I hope that your child will enjoy using Seesaw to document and share their learning this year. If you do not give permission for your child to be set up with a Seesaw account, please contact the School Office.

Yours sincerely,

*Maddie Southern*
