Parents & Carers

Friday 18th September 2020

Dear Parents/Carers,

At the end of our second week, I wanted to take the opportunity to thank you all so much for your support in getting your children off to a fantastic start to the year. The systems, procedures and support we have put in place are working well and helping the school community to feel safe and secure.

The vast majority of pupils have taken the new changes and routines in their stride and have adopted a brilliant attitude both in the classroom and around the school.

The staff and I am so proud of the pupils; and their resilience and determination again this week has been inspiring. The feedback I've had from staff has been glowing, and has lifted us all, in these uncertain times.

Social Distancing

We would continue to ask that you all try and maintain good social distancing and exit the playgrounds as soon as possible. This helps to avoid congestion with another year group and also allows us to close the gates in good time to make a safe environment for our after school clubs, which will be starting next week. Please keep a vigilant watch on younger siblings, while they are waiting in the playground and do not allow them to run across the playground unsupervised or touch any equipment/apparatus.

A reminder that we have asked all parent/carers to wear masks when coming onto the school playground and if you have to enter the school building, you are required to wear a mask and use the hand sanitisers at the entrances, in the first instance.

Thank you for all your support during these unprecedented times and helping us to give your children the educational provision they deserve. If you have any questions about anything at all, please don't hesitate to let us know.

Have a lovely weekend, and please encourage your child to rest - they deserve it!
