Topic – Geography ‘Brighton Rocks’: In school we are studying Brighton and its local geography and community. It is important to have knowledge about the whole of the United Kingdom in order to make comparisons with our locality.

Access Oak Academy – Visit <https://www.thenational.academy> and enter the *Pupil Hub*. Go to *find lessons* and click on *KS2*. Go to *Geography*, click on *Building Locational Knowledge: United Kingdom* and complete the lessons online, starting with *lesson 1* and working your way through.

Challenge 1: Choose a coastal town or city in either Northern Ireland, Scotland, Wales or another region of England and compare it to Brighton and Hove. How are they similar? How are they different? What kind of things can you see or do in both locations? You can present the information as a Power Point, poster, fact file or mini travel guide!

Challenge 2:

Go back and use the Brighton Museum Archive link: <https://dams-brightonmuseums.org.uk/assetbank-pavilion/action/browseItems?categoryId=1460&categoryTypeId=1&cachedCriteria=1>

where you can compare current Brighton locations to old and see if you can spot the place that has changed the most. Are there any locations that look the same now as they did years ago? Can you create a quiz for you family, friends and teachers on key Brighton places?

Inspired by Black History Month
