

Year 4 Home Learning 6

Set: Friday 4th December
Due: Wednesday 15th December

Maths Support

Please login to Times Tables Rockstars every week as often as you would like. The more games you place, the more coins you will earn for the virtual shop. It is expected that all children will know their times tables up to 12x12 by the end of Year 4. We have noticed that lots of children need support with this so we have been focusing on it in lessons. Please support your child to learn them at home too - it is much appreciated!

What is Times Tables Rock Stars?

In either paper form or online, Times Tables Rock Stars is a carefully sequenced programme of daily times tables practice.

Each week concentrates on a different times table, with a recommended consolidation week for rehearsing the tables that have recently been practised every third week or so.

This format has very successfully boosted times tables recall speed for hundreds of thousands of pupils over the last 8 years in over 14,000 schools - both primary and secondary - worldwide.

Maths

In maths lessons, we have been learning about multiplication. Try and solve these multiplication calculations using the coloured bricks to help you.

Can you add up the bumps on the building bricks to complete these multiplication calculations?

1

$2 + 2 =$

$2 \times 2 =$

2

$2 + 2 + 2 + 2 =$

$4 \times 2 =$

3

$$5 + 5 = \square$$

$$2 \times 5 = \square$$

4

$$5 + 5 + 5 = \square$$

$$3 \times 5 = \square$$

5

$$5 + 5 + 5 + 5 + 5 + 5 = \square$$

$$6 \times 5 = \square$$

6

$$5 + 5 + 5 + 5 + 5 = \square$$

$$5 \times 5 = \square$$

7

$$10 + 10 + 10 + 10 + 10 + 10 =$$

$$6 \times 10 =$$

Answers:

1. 4
2. 8
3. 10
4. 15
5. 30
6. 25
7. 60
