Dear Parents/Carers,

School Ping for Parents

School Ping is a free-to-download app that keeps you connected to all of your child's school news, via instant messages sent straight to your smartphone. It is easy, safe and convenient to use and will help keep you in the loop with everything from your child's progress to sports day and general events.

How School Ping works for you:

- Quick communication & updates direct to your phone
- View documents and letters
- School trips - Receive and return on-line permission forms, rather than paper ones
- Receive relevant notifications through the on-line school's event calendar
- Choose how you want to check your messages – on your phone, tablet or computer
- Download for free – it's available on iOS (App Store) or Android (Google play)

(If you do not have access to a smartphone, you can also receive messages via email or by logging in to your account on the web message from us.)

You will receive an email from us with your unique username and password **once your child starts school in September**. When you've got this, all you need to do is download the app and input these on the homepage.

If you would like further information, you can visit:

<https://www.neweraed.co.uk/products/schoolping/schoolping-for-parents/>

Or you can speak to our office team.

Yours sincerely,

Maddie Southern
Headteacher

Mrs Lorna Cummings
Head of School, Holland Road

Hove Junior School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
