Photographs & Videos

Please complete the consent fields on your child's profile via the Arbor Parent Portal/App.

Occasionally, we may take photographs of the children at our school. We may use these images in our school's prospectus, newsletter or in other printed publications that we produce, as well as on our website. **We may also make video or webcam recordings for school-to-school conferences, monitoring or other educational use.**

From time to time, our school may be visited by the media who will take photographs or film footage of a visiting dignitary or other high profile event. Pupils will often appear in these images, which may appear in local or national newspapers, or on televised news programmes.

To comply with the General Data Protection Regulation (GDPR), we need your permission before we can photograph or make any recordings of your child. **Please complete the consent fields on your child's profile via the Arbor Parent Portal/App.**

Conditions of use

This consent is valid for five years, or for the period of time your child attends this school. The consent will automatically expire after this time.

Consent can be withdrawn at any time. If consent is withdrawn, we will delete the photograph or video and not distribute it any further.

We will not re-use any photographs or recordings after your child leaves this school.

We will not use the personal details of any child in a photographic image or video, on our website, in our school prospectus or in any of our other printed publications, to ensure they cannot be identified.

We will not include personal e-mail or postal addresses or telephone numbers on video, on our website, in our school prospectus or in other printed publications.

If we use photographs of individual pupils, we will not use the name of that child in the accompanying text or photo caption.

We may include pictures of pupils and teachers that have been drawn by the pupils.

We may use group or class photographs or footage with very general labels, such as 'a science lesson' or 'making Christmas decorations'.

We will only use images of pupils who are suitably dressed, to reduce the risk of such images being used inappropriately.
