

ART CLUB AT HOVE JUNIOR

Draw yourself Happy!

Led by an experienced Art Teacher, this Art Club is suitable for everyone...for children who already enjoy art, and for those who are 'not so sure' or think they are 'not good at it'. No 'right or wrong' in art, this art club will boost your child's confidence, with easily achievable art projects that they will enjoy creating and be proud of. The aim of this club is to enjoy creating art, experiment with different techniques and media while learning or improving artistic skills.

We will explore various techniques such as printing, painting, drawing, collage, learn related terminology, while working on many interesting projects.

Did you know?

Activities, especially arts-related activities, are important for so much more than just keeping your child busy? Research shows that Art plays a vital role in raising self-esteem which can spill over into academic attainment.
