Hove Learning Federation Holland Road Newsletter

Friday 15 September 2023

Dear Families,

We are delighted to welcome you back to school, and it has been great to see so many families at our meet the teacher events across all 3 sites. We are proud to offer an exciting, creative and well planned curriculum across both schools that enriches the children's learning experiences. During our inset days this September we have spent further time reviewing our curriculum offer and are committed to helping every learner develop as a whole person, fulfil his or her potential and help shape a shared learning journey built on the well being of our pupils and school community.

Your child's year group learning journey, topic teasers and core knowledge files will be shared with you via Google Classroom or SchoolPing and are also available on the school websites. If you have been unable to meet the teacher but do need to communicate with them, please contact the school office or use our enquiries emails below and we will be in touch.

Our key priorities for this school year are:

1. Leadership and Management: To diminish the difference in attainment and progress for our educationally disadvantaged and the lower 20% of all pupils.

2. Quality of Education: To continue to refine our curriculum based on the most recent and relevant research to ensure that it meets and challenges the diverse needs of all pupils in the Federation and the school communities.

Together as a federation we want to ensure that we provide high-quality education to all pupils. This is realised through strong, shared values, policies and exceptional, inclusive practice.

We are a Family of Friends who LEARN together.

Support for Your Child's Mental Health and Wellbeing

At Hove Learning Federation, we promote positive mental health and wellbeing for our whole school community. We believe that everyone has the right to express how they feel and seek support for their mental health, without judgement. Our Mental Health Lead for WHIS and HJS (Naomi Miller) has sent you all our online referral system QR code to access, enabling parents and carers to request mental health and wellbeing support for their child. If you are concerned about your child's mental health and wellbeing you can complete the online form and our senior mental health lead will contact you to discuss support available. Please see the poster later in this newsletter for more information and the link to access our online referral form.

Parent and Carer Working Party: Anti Bullying Policy Wednesday 4th October 9.10am

If you would like to be part of our parent/carers group it would be great to hear from you. We want to ensure that we have feedback to review this policy and ensure our provision is shaped by our school community. To do this we'd like to share our plans for behaviour and the anti-bullying policy at Hove Learning Federation, and hear from you about the support and provision that you would find most beneficial. If you are interested in joining the working party please email katecusack@westhove-inf.brighton-hove.sch.uk.

Please continue to keep in contact with us – should you have any questions or concerns, contact us via the following:

Year 3 Stone Age Day

This week, for our stunning start, we had an exciting day learning about the Stone Age. We

learnt

how to hunt, make fire and
looked at lots of different tools
that were used during the
Stone Age.

After School Club

Everybody read!

Reading together with your child matters!

Sharing books makes a big difference to your child's education.

When you read to your child you are making a positive impact on your child's reading ability and their love of reading.

Reading a book and chatting about it has a positive impact on your child's ability to:

- understand words and sentences
- use a wide range of vocabulary
- develop listening comprehension skills

Reading books your child has chosen to read for pleasure is one of the best things you can do to help them succeed at school.

A love of reading is the biggest indicator of future academic success!

Parental involvement in the development of children's reading skills:
A five-year longitudinal study (2002) Senechal, M. and Lefvre, J.

Everybody read!

Does it matter how I read with my child?

- Studies show that it's the enjoyment and chat that matters!
- The more you chat together about the book and things that interest your child the more impact it has.
- You don't even have to read the words on the page, talking about the pictures is just as important.

Does it matter which language I use?

- Use your home language.
- It is better for your child to hear expert talk from you in your language.
- Many studies tell us it is the back-and-forth talk between adults and children when they are sharing books that makes the difference to children's language and comprehension.
- This impact will translate to better language and comprehension for your child in English.

Does the type of book matter?

- Let your child be the boss of the books they choose. Enjoyment really matters.
- Comics, information books, magazines, story books, picture books, poems and leaflets are all great for sharing.
- Catalogues are fun to share and talk about too.

What if they always want to read the same book?

- Repeated reading of books is really beneficial for children. It helps them memorise parts of stories, words and phrases too.
- Knowing a book or poem by heart is fun and powerful for children, they can 'read' the story with you, or join in with words or phrases.
- If you really want to mix it up offer another book alongside the much-loved favourite!

Are you concerned about your child's mental health?

- Anxiety
- Low mood
- Difficulties regulating emotions
- Self esteem and confidence
- Sleep difficulties
- Fears and phobias
- Separation, loss and bereavement

Scan the QR code below to *refer* your concern to Hove Learning Federation's Mental Health Lead. Link also available on our school website.
