# Hove Learning Federation Holland Road Newsletter

Friday 10th November 2023

Dear Families,

As always, it has been a busy couple of weeks in school! I hope you enjoy reading about some of the activities the children have been participating in further in this newsletter.

It has been fabulous to welcome so many parents and carers into school this week to meet with the class teachers. The teachers have expressed how wonderful it was to spend time getting to know the families better. We are committed to working in partnership with our families to ensure the best possible provision for the children. We therefore really value your feedback. We have sent out a survey link to all parent/carers via School Ping and ask that you please take the time to comment. If you were unable to attend your appointment or cannot make these times, please email the school stating your child's name and class and the class teacher will be in touch to arrange a time to meet with you.

Please continue to keep in contact with us – should you have any questions or concerns, contact us via the following:

## Year 6 'States Day'

On Thursday 12th October, Year 6 enjoyed our 'States Day' to consolidate and extend their understanding of different states linked to our North America topic. We learnt about Hawaii and Texas in detail which included exploring different traditions, music, sports and intriguing facts. We also enjoyed sampling Hawaiian drinks packed with fruit grown in Hawaii & Texan nachos with salsa, guacamole and even optional jalapeños.

# SUPERHERO DAY

Last week, Year 2 had a fun-filled start to our half term with all kinds of superhero activities! From designing a superhero and making our own masks, to Guy Fawkes drama and going dot crazy with our Roy Lichtenstein inspired artwork – we had a Marvel-ous time!

Take a look at some of our learning...

# Year 5 and 6 Girls football

On Friday the 3rd of November the girls' team had their first tournament which was held at Brighton University. Having never played together before, the girls did us incredibly proud with their unfailing grit and determination. We played 6 matches in total- full of incredible tackles, saves, some excellent attacks and solid defending! We even had the chance to go head to head again Portland Road's girls team- the match was amazingly even and ended a 0-0 draw! Our last match progressed on to penalties where we were ultimately beaten by our opponents, but this did not detract from a very positive afternoon of football, which the team seemed to thoroughly enjoy.

Well done to each of the players involved, they all did brilliantly! And thank you to the travelling fans (parents/carers) who made it down to cheer on the team.

## Hove Junior School VS Windlesham Primary

Our year 6 boys had their debut match on Wednesday the 1st of November against Windlesham Primary. Conditions were tough- pre storm Ciarán! The boys, played fantastically together and showed an enormous amount of sportsmanship and encouragement for one another. There were two immense goals- one from Dylan H as he perfectly executed a shot on target after announcing to the crowd, 'top left corner' from a free kick. The second phenomenal goal came from Matt! There were exceptional saves, solid defending and some great attempts on goal. An exciting game of football was played by all! Overall the boys lost 6-2 and are looking forward to their come back and next match in a few weeks' time!

# MHST Workshops 2022-2023

One-off Parent Virtual Workshops 12:30pm-1:30pm

## transition

This workshop is for parents/carers of young people starting Y7 at Secondary School in September 2023. The workshop will cover what anxiety is and how it's maintained, how to talk to your child about their anxieties about their new school and some practical advice on how to help your child manage their worry using a CBT approach. We will also look at how to encourage young people to become independent problem solvers.

6th June 2024 [How to help your child transition to year 7 Tickets, Thu 6 Jun 2024 at 12:30 | Eventbrite](#)

This workshop aims to support parents/ carers in understanding and responding to their children's strong emotions. These strong feelings might present as anger or disruptive behaviour. Within this 1-hour workshop, we hope to support parents in understanding what might be underlying children's behaviour, understanding what might be contributing to these big feelings, consider how adults can respond to support alternative behaviours, and learn general emotional regulation strategies for children.

**Primary** 07th December 2023 [Emotional Regulation Workshop for parents/carers of PRIMARY age children Tickets, Thu 7 Dec 2023 at 12:30 | Eventbrite](#)

## Emotional Regulation

### Ongoing Parent Sessions (4 weeks)

## anxiety

This group is aimed at parents and carers of children in the stated age group. This programme will guide parents how to use cognitive-behavioural techniques to help their children overcome fears and worries. The programme includes learning how anxiety develops and is maintained, that is to say what keeps children's anxiety going and prevents them getting over their fears. We will then move on to exploring what your child needs to learn to overcome their fears or worries and how to implement strategies to encourage your child to become more independent. The programme will run over 4 weeks and will be a combination of 4 one-hour group sessions, reading tasks before sessions and some in between session work such as practising techniques learned during the sessions.

There are not currently set dates for this programme. If you feel you would like to explore this option please speak to the SENCO at your child's school to refer to our service. It may be that we can offer this as a direct intervention or, if we receive appropriate referrals we will run as a group. To learn more about our service offer please watch our video: <https://youtu.be/-YWqFOGqehM>

# MHST Workshops 2023-2024

## One-off Parent Virtual Workshops 12:30pm-1:30pm

### Sleep

This workshop is aimed at parents and carers of children in the stated key stage. We will be looking at common difficulties children have with sleep, the recommended amount of sleep for children of different ages, and ways to support children with getting enough sleep. We will be looking at strategies around bedtime routines, the sleeping environment, life-style factors which may influence sleep, and supporting children with anxiety or worries which might be affecting their sleep.

**Primary** 4 July 2024 [Sleep Workshop for parents/ carers of PRIMARY age children Tickets, Thu 4 Jul 2024 at 12:30 | Eventbrite](#)

This workshop is aimed at parents and carers of children in the stated key stage. We will be using a cognitive-behavioural model to understand how thoughts, feelings and behaviours are linked and form unhelpful patterns that can lead in- to a downward spiral of persistent low mood. We look at ways you might be able to help your child, including addressing your child's sleep, routine, exercise and eating patterns. We will also touch on ways you as a parent might be able to support your young person's negative thoughts or unhelpful behaviour patterns.

**Secondary** 16th May 2024 [Supporting your child with low mood \(SECONDARY aged children\) Tickets, Thu 16 May 2024 at 12:30 | Eventbrite](#)

This workshop is aimed at parents and carers of children in the stated key stage. We will look at what anxiety is exactly, where it comes from, and what keeps children feeling anxious. We aim to help you get a better understanding of your child's anxiety by looking at how your children feel, think, and respond to triggers or situations that make them feel anxious. We will then introduce strategies that can help, both in the short term, such as breathing and distraction techniques, as well as longer-term strategies including helping your child face their fears and build up their confidence through supportive conversations.
