# Hove Learning Federation Holland Road Newsletter

Friday 8th December 2023

Dear Families,

It has been wonderful to welcome our families into school this week to watch our Infant performances, and we look forward to enjoying our Junior 'fabulous finishes' next week. The children were just fabulous and a huge thank you to the staff for all their hard work on these.

We are delighted to share that Hove Junior School's recent Inclusion Quality Mark assessment confirmed our ongoing status as a Flagship School. This is an amazing achievement held by only a small number of schools in the country. We are also really pleased that the assessor recognised the exceptional inclusive practice across both the Infant and Junior School.

We will be having our usual own clothes day on the last day of term (Friday 15th December). Children may wear something festive on that day if they wish. We would like to emphasise that this is optional and would encourage our families not to buy anything new for this.

Thank you for participating in our recent parent/carer survey. Please see the highlights below:

94% of families say their child feels safe at this school

97% of families say their child is happy at this school

95% of families say the school makes them aware of what their child will learn during the academic term

92% of families feel that the teacher knows their child well

88% of families say their child can take part in clubs and activities at this school

94% of families say the school lets them know how their child is doing

We look forward to welcoming everyone back to school on Wednesday 3rd January and wish you all a very happy holiday in the meantime.

Please continue to keep in contact with us – should you have any questions or concerns, contact us via the following:

# Year 3 Museum Trip

On Friday 1st December 2023, Holland Road's fantastic year 3 embarked on a fabulous adventure, as part of our "Portals through the Ages" topic. We visited the Stone Age exhibition and took part in a fascinating workshop, exploring the exhibition and artefacts. We even saw the Amber cup that we had learned about during our History sessions!

As part of the day, we were allowed to visit the Royal Pavilion. We went on a mouse hunt and saw the interior beautifully decorated for the festive period.

We all had an amazing day and we were so proud of all of the children.

Well done Year 3!

# Year 6 Apple Pies!

As part of our DT project, Year 6 made American Apple Pies last week. After researching a recipe and each ordering their ingredients, the Year 6s followed the recipe independently to first make pastry from scratch and rolling it to fit the tin. They then sliced the Bramley apples and filled their pies before rolling the topping.

After 45 minutes, the apple pies were ready. Year 6 evaluated their method and teamwork before eating their creations with whipped cream.

A big thank you to everyone who donated into the School Fund as this was used to buy the ingredients.

## **Christmas Holiday Consultation Line**

Dear Parents/Carers,

Do you have a child or young person at school in Brighton & Hove?

**If you have any concerns about their Emotional Mental Health and Wellbeing you are invited to talk to a Primary Mental Health Worker or Education Mental Health Practitioner from the Schools Mental Health Service.**

Telephone consultations are available over the Christmas Holiday.

***December 19th, 21st, 22nd and 29th along with 2nd January***

***9am-12pm.***

**Please email**

**[SchoolsMentalHealthService@brighton-hove.gov.uk](mailto:SchoolsMentalHealthService@brighton-hove.gov.uk)**

You will need to send us your name and phone number, with a brief outline of your concerns, and a Primary Mental Health Worker or Education Mental Health Practitioner will call you back.

Whilst we aim to call back within two days, please be aware we may have a high demand, so your patience is appreciated.

Please note, this would not be in place of current services you may already be engaged with.

**This is not a crisis number – if you require immediate support you need to contact your GP, call CAMHS duty care on 03003040061 or go direct to A&E**

## **School Fund – Academic Year 2023/24**

Dear Parents/Carers,

This Autumn, we will be requesting a £30 contribution towards the School Fund. This can be paid as a one-off payment on Parent Pay or in three termly amounts of £10. This cost does not include swimming costs for Year 4 or external trips outside of school.

The School Fund contributes to all subjects, sports and activities, supporting the school budget and the projects our pupils benefit from. With a regular amount contributed for each child, we want to ensure:

- Each year group will receive a ‘topic’ based workshop/visitor each term.
- Art/DT resources for art week, topic work and enterprise initiatives.
- Core texts and additional reading resources for our topics and whole class reading lessons.
- Continued replenishment of book areas in each classroom chosen by our pupils.
- New playground equipment for lunchtimes and annual replacement of our much used and loved general equipment.

Following year-on-year budget cuts to education, we have had to make significant reductions to school expenditure. Over 85% of our Government income is spent on salaries for staff as well as every day running costs. To ensure that cuts do not impact our pupils’ education, we rely on your support. If everyone contributes, we can really make a difference.

### **Voluntary Donations**

If you would like to contribute regularly to the school, or make a one-off donation, we have set up an additional donation page on Parent Pay.

Yours Sincerely,

Lorna Cummings  
Head of School, Holland Road

Ben Massey  
Head of School, Portland Road

# Is your child struggling to attend school?

We understand that some young people can find it challenging to attend school, for several reasons.

We would like to offer a space to meet with someone to share your concerns and look at how we can support you around this.

You would be able to meet with an attendance officer from the council along with someone from the Schools Mental Health Service, to explore what we can offer, and support the conversations with school.

# MHST Workshops 2022-2023

One-off Parent Virtual Workshops 12:30pm-1:30pm

## transition

This workshop is for parents/carers of young people starting Y7 at Secondary School in September 2023. The workshop will cover what anxiety is and how it's maintained, how to talk to your child about their anxieties about their new school and some practical advice on how to help your child manage their worry using a CBT approach. We will also look at how to encourage young people to become independent problem solvers.

6th June 2024 [How to help your child transition to year 7 Tickets, Thu 6 Jun 2024 at 12:30 | Eventbrite](#)

This workshop aims to support parents/ carers in understanding and responding to their children's strong emotions. These strong feelings might present as anger or disruptive behaviour. Within this 1-hour workshop, we hope to support parents in understanding what might be underlying children's behaviour, understanding what might be contributing to these big feelings, consider how adults can respond to support alternative behaviours, and learn general emotional regulation strategies for children.

## Emotional Regulation

### Ongoing Parent Sessions (4 weeks)

## anxiety

This group is aimed at parents and carers of children in the stated age group. This programme will guide parents how to use cognitive-behavioural techniques to help their children overcome fears and worries. The programme includes learning how anxiety develops and is maintained, that is to say what keeps children's anxiety going and prevents them getting over their fears. We will then move on to exploring what your child needs to learn to overcome their fears or worries and how to implement strategies to encourage your child to become more independent. The programme will run over 4 weeks and will be a combination of 4 one-hour group sessions, reading tasks before sessions and some in between session work such as practising techniques learned during the sessions.

There are not currently set dates for this programme. If you feel you would like to explore this option please speak to the SENCO at your child's school to refer to our service. It may be that we can offer this as a direct intervention or, if we receive appropriate referrals we will run as a group. To learn more about our service offer please watch our video: <https://youtu.be/-YWqFOGqehM>

We will be looking at common difficulties children have with sleep, the recommended amount of sleep for children of different ages, and ways to support children with getting enough sleep. This workshop is aimed at parents and carers of children in the stated key stage. We will be using a cognitive-behavioural model to understand how thoughts, feelings and behaviours are linked and form unhelpful patterns that can lead in- to a downward spiral of persistent low mood. We look at ways you might be able to help your child, including addressing your child's sleep, routine, exercise and eating patterns. We will also touch on ways you as a parent might be able to support your young person's negative thoughts or unhelpful behaviour patterns.

This workshop is aimed at parents and carers of children in the stated key stage. We will look at what anxiety is exactly, where it comes from, and what keeps children feeling anxious. We aim to help you get a better understanding of your child's anxiety by looking at how your children feel, think, and respond to triggers or situations that make them feel anxious. We will then introduce strategies that can help, both in the short term, such as breathing and distraction techniques, as well as longer-term strategies including helping your child face their fears and build up their confidence through supportive conversations.
