

Year 6

Spring Term 2024

‘A WORLD AT WAR’

World War II 1939 - 1945

Welcome back to the Spring Term. We hope you all had a lovely Christmas break and are looking forward to the exciting term ahead.

The Learning Journey

'We'll Meet Again'

During the first part of our learning journey, the children will develop historical skills of enquiry and inference. Our term will start by looking at reasons for WWII and which countries were involved. The children will learn about what life was like for children growing up in War Time Britain, why some children were evacuated, the Blitz and the Battle of Britain.

In English lessons, the children will read *Letters from the Lighthouse* by Emma Carroll.

In Art, the children will create Blitz artwork and propaganda posters.

'The Blitz'

During the middle section of our learning journey, the children will learn about the Land Army and more about propaganda. They will investigate sources of evidence and question the reliability of sources. They will also understand why black and Asian Commonwealth troops joined up to fight.

In DT the children will design and make bomb shelters, using the Anderson shelter as inspiration.

In English, the children will continue to read *Letters from the Lighthouse*, extending their understanding of WWII whilst writing in a range of genres.

'VE DAY'

In the final part of our learning journey, the children will learn about why the War ended and how people celebrated in Britain.

In English, the children will read *Rose Blanche* by Ian McEwan, the text focuses on the war from the perspective of a young German girl and her interpretation of the events of the war.

In computing, the children will collect their knowledge of the topic in order to make their own short information film about the events of World War II.

Theme Days and Trips

On Tuesday 9th January, 6 Red and 6 Blue, kick off our topic with a visit to *Take Shelter* at Downs Junior School. *Take Shelter* is an interactive, multi-media workshop where children visit a reinstated school air-raid shelter to experience what life was like as bombs dropped over the city of Brighton. Don't worry, 6 Green and 6 Yellow have the same experience the following day on Wednesday 10th January. If you are available to support on your child's trip, please contact the office and they will forwards your interest.

On Tuesday 16th January, we will be holding our 'Stunning Start' event that will be an Evacuee Day.

At the end of term, to mark the end of our learning journey, the children will celebrate by throwing a party in the style of VE day street parties and hold an exhibition of their work.
