# Hove Learning Federation School/Portland Road Newsletter

Friday 30th January 2026

**Dear Families,**

This term we have been working with the University of Sussex looking at research to increase the sense of belonging in school. With the aim of thinking about how we can, as a federation help all our pupils, regardless of their background, trust our school and feel that they belong and are respected here.

As part of this work we will be:

- Continuing with Community Events (Bowls of Belonging/My Hair, My Heritage coming soon!)
- Relaunching Voice Boxes in classes ensuring all voices and opinions are valued and heard
- Including Values Affirmation Sessions added to PSHE Planning Revised and trialled including Gratitude.
- Enhancing our Transition Project with Year 2-3 at PR and HR sites in summer 2026
- Including Staff Values Spotlights in Newsletter and Staff Values Videos

## **Collaboration Update**

The federation will continue to work collaboratively with Brunswick Primary in the spring term, and staff have enjoyed the opportunities to work with them on school improvement. We have been working on several projects, including maths, focusing on increasing attainment and progress for all children with an emphasis on challenge at all levels. At the start of Term we shared a joint INSET with three workshops exploring the question: How do we ensure QFT for all educationally disadvantaged children so that attainment, progress, and challenge in maths are increased for all?

## **Physical development across the Federation**

At the start of this academic year our Reception team set out their aim to further support children starting school with their physical development: building strength, fine and gross motor skills, flexibility and independence. Recent guidance suggests that children between the ages of 1-5 should have at least 180 minutes of movement a day and our Reception team wanted to ensure they get as many opportunities to be active as possible. Thinking about ways to encourage:

- participation
- repetition
- combined learning opportunities
- sparking or tempting activities, games and resources
- opportunities to experiment with movement

The Reception leads Ms Kemp-Harris and Miss Rogers created wish lists of equipment they needed to supplement their current outdoor spaces and provide the most robust zones for physical development. Overwhelming generosity from the parents, carers and family members within our school community alongside contributions from our PTAs have meant all items on these lists have been purchased. The targets for these initial playground zones have been met and we are seeing children go from strength to strength as they explore, investigate and thrive in these spaces.

Looking to the future, we will be working on developing further zones in our playgrounds on each site so that all children across the federation can grow through the power of play. Further details on the project will be shared in the new year.

## **Attendance at Hove Learning Federation**

Attendance and Punctuality:

Good punctuality is an important life skill and arriving at school on time each day makes a real difference to children's learning.

Research consistently shows that good punctuality supports both academic success and overall wellbeing and that arriving at school on time each day makes a real difference to children's learning.

Our school gates are open from 8:40-8:50 at PR and HR (8.45-8.55 at SR) but bringing children for 8:40 (8:45 at SR) gives the best start to the day.

Those first ten minutes are designed to help pupils settle calmly, greet their friends, organise their belongings, and take part in important morning routines such as registration and early-start tasks.

When children arrive late, even by 5-10 minutes, they can miss the calm, structured start, and key explanations that help them feel settled and confident.

Over a year, arriving just 10 minutes late each day can add up to more than 30 hours of lost learning time. By arriving promptly at 8:40 (8:45 SR), children begin the day feeling ready, organised, and fully prepared to make the most of every learning and social opportunity.

In summary: good timekeeping isn't just about being "on time" – it helps children grow into confident, capable learners and sets them up for success in school and beyond.

By working together to support punctuality, we give every child the best possible start to their day.

Thank you for your co-operation and support.

## **Lateness**

Arriving late to school is very unsettling for children, and frustrating for teachers who have to repeat instructions and help children to catch up. In terms of time in school lost it can have a considerable impact over the whole school year:

5 minutes late every day = 3 days of school lost a year  
10 minutes late every day = 6.5 days of school lost a year  
15 minutes late every day = 10 days of school lost a year  
20 minutes late every day = 13 days of school lost a year

### **Parking**

We have been really proud of just how much improvement there has been regarding parking illegally outside the school over the last term. Thankyou for parking safely and respectfully for all our pupils and school community.

# Year 3's Stunning Start-

Year 3 enjoyed a recycling-themed Stunning Start day for their Spring Term topic, Trash to Treasure.

We made bottle top animals, word art from recycled wrapping paper, and 'holding up the world' pictures.

A great time was had by all!

# Merci beaucoup!

On Friday 12th December 2025, we were very lucky in 3 Blue as Amelia's mum, who is from France, came into class to teach us all some French.

Amelia and her mum read us a book in French and explained what was happening.

We learned some fabulous new vocabulary and really enjoyed showing Amelia's mum all of the French we have been learning in class. Everyone learnt how to say Merry Christmas (joyeux noel).

We are very grateful to Amelia and her mum for teaching us.

Merci beaucoup to Amelia's mum for coming in!

“Integrity”

This newsletter **Mrs Southern’s** value is **integrity!** Integrity is all about being honest, making good choices, and standing by what is right, even when it's difficult. It means doing the right thing when no one is watching. At HLF, we believe that nurturing integrity starts from an early age. It helps our children grow into responsible and trustworthy individuals.

# “Integrity”- Reflection points

Here are some engaging reflection points that can encourage and inspire our children to show integrity:

- **Listen Actively**- When other are speaking, listen carefully and show that you values their thoughts and feelings
- **Help Others**- If you see someone struggling, whether with schoolwork or something else, offer to help them
- **Speak Up for What’s Right**- If you see someone being treated unfairly or if something wrong is happening, tell a teacher or an adult
- **Respect Others Property**- Treat school supplies and classmate’s belongings with care, If you borrow something, return it in good condition.
- **Include Everyone**- Be fair in how you treat others. Make sure everyone feels included in games and group activities.
- **Apologise When Needed**- If you hurt someone or make a is take, say you’re sorry sincerely and try to make things right.
- **Follow the Routines and rules in school**- This shows respect for your school and everyone in it working together as a team.

## Here are some ways we can show integrity at home:

1. **Practice Gratitude** - Say thank you for the things your family does for you, acknowledging their efforts and showing appreciation
2. **Be Responsible with Chores** - Complete your chores without being reminded, This shows you’re reliable and trustworthy
3. **Admit Mistakes** - When you male a mistake, own up to it immediately. Discuss with your family why it happened and how you can avoid repeating it.
4. **Help Siblings** - Offer assistance to your brothers or sisters with their homework or other tasks without expecting anything in return.
5. **Create a Values Jar** - Each time someone in the family demonstrates integrity, write it down on a piece of paper and put it in a jar. Occasionally read these out loud to celebrate these moments
6. **Be Kind to Pets** - Show responsibility by taking care off family pets, feeding them on time, and treating them with kindness and respect.
7. **Manage Screen Time** - Stick to the screen time limits set by your parents. If you accidentally go over, let them know instead of keeping it a secret.
