

**WEST HOVE  
INFANT SCHOOL**  
.....  
**A family of friends**

## Hove Learning Federation School/Portland Road Newsletter Friday 20<sup>th</sup> March 2026

**Dear Families,**

It has been a fabulous week across the sites with the celebration of 'Lets Dance' at The Dome taking place with pupils from across all 3 sites. The pupils were rightly proud and have been working on their routines and musicality throughout the last few months.

We have a wide range of events to end the spring term coming up across the federation including Easter Bonnet parades, discos and 'Our Heritage Our Hair' events across the sites. As always we couldn't do any of these events without our wonderful parent/carer community and we really appreciate all of the support we receive.

Following our recent family survey we are delighted to share highlights which include:

96% of P/C say their child feels safe at school

95% of P/C say their child is happy at school

90% of teachers know their child well

80% of P/C have found the new weekly bulletin useful and feel it has improved communication

We wish you a happy and restful Easter holiday and look forward to welcoming you all back in the summer term on Monday 13<sup>th</sup> April.

### **Attendance at Hove Learning Federation**

Attendance and Punctuality:

Good punctuality is an important life skill and arriving at school on time each day makes a real difference to children's learning.

Research consistently shows that good punctuality supports both academic success and overall wellbeing and that arriving at school on time each day makes a real difference to children's learning.

Our school gates are open from 8:40-8:50 at PR and HR (8.45-8.55 at SR) but bringing children for 8:40 (8:45 at SR) gives the best start to the day.

Those first ten minutes are designed to help pupils settle calmly, greet their friends, organise their belongings, and take part in important morning routines such as registration and early-start tasks.

When children arrive late, even by 5-10 minutes, they can miss the calm, structured start, and key explanations that help them feel settled and confident.

Over a year, arriving just 10 minutes late each day can add up to more than 30 hours of lost learning time. By arriving promptly at 8:40 (8:45 SR), children begin the day feeling ready, organised, and fully prepared to make the most of every learning and social opportunity.

In summary: good timekeeping isn't just about being "on time" – it helps children grow into confident, capable learners and sets them up for success in school and beyond.

By working together to support punctuality, we give every child the best possible start to their day.

Thank you for your co-operation and support.

### **Lateness**

Arriving late to school is very unsettling for children, and frustrating for teachers who have to repeat instructions and help children to catch up. In terms of time in school lost it can have a considerable impact over the whole school year:

5 minutes late every day = 3 days of school lost a year

10 minutes late every day = 6.5 days of school lost a year

15 minutes late every day = 10 days of school lost a year

20 minutes late every day = 13 days of school lost a year

### **Uniform**

Please see information on our uniform policy on our websites:

<https://www.westhoveinfants.co.uk/parents/school-uniform/> and <https://www.hovejuniorschool.co.uk/uniform>

### **Parking**

We have been really proud of just how much improvement there has been regarding parking illegally outside the school over the last term. Thankyou for parking safely and respectfully for all our pupils and school community.

### **HLF Governor Update**

We would like to share an update on some recent changes to our Governing Board and highlight an opportunity to become involved.

We are very pleased to welcome Tom Edwards and Dr. Amir Khodavirdipour to the Governing Board.

Tom joins us as our new Local Authority Governor and brings a wealth of experience in SEND and Inclusion. We are delighted to have his expertise supporting the work of the board and the school.

We are also pleased to welcome Amir as our new Parent Governor, following Ollie Tunmer's decision to step back from the role due to work commitments. Amir received strong support in last term's parent governor election and we are delighted that he will now be joining the board. Amir has a medical background and brings valuable experience including SEND, Inclusion and mental health

We would like to extend our thanks to Ollie for his contribution as a governor and for his continued, invaluable support of music and arts across our schools. We would also like to thank Alex Scott who is stepping down, but remains an active and valued member of our parent community.

Can you help us find our next Finance Link Governor?

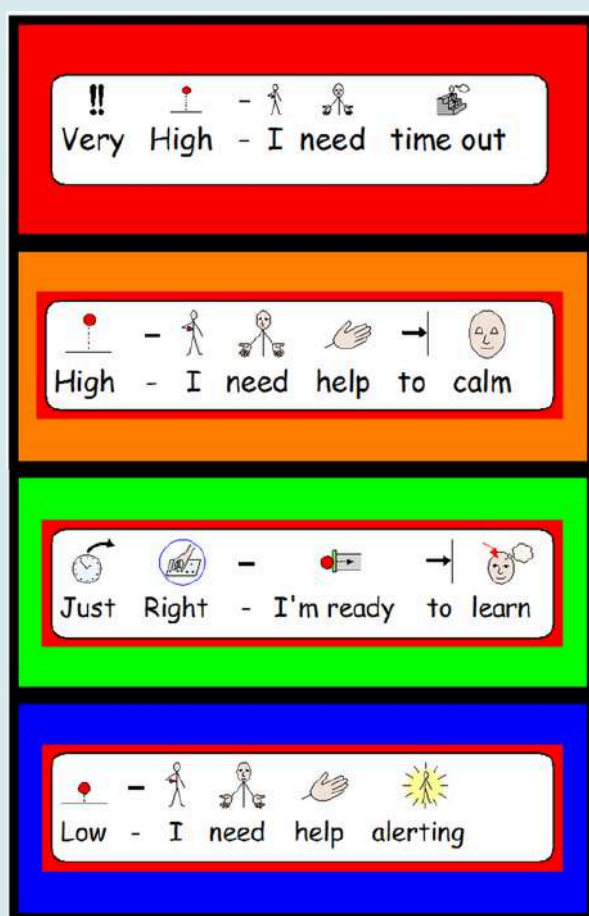

We are currently looking to appoint a Co-opted Governor with financial expertise to support the board's strategic oversight of finance. If you have relevant skills, or know someone who might be interested, we would love to hear from you.

Please visit the Governor section of the website for full details:

WHIS - <https://www.westhoveinfants.co.uk/governors-2/governor-vacancies/>

HJS - <https://www.hovejuniorschool.co.uk/governorvacancies>

Last Thursday, we ran parent workshops looking at Just Right. Bridget Rennie and Sam Ledger talked through how we use Just Right in school, why it is effective and how it can be used at home. Just Right is a system used in schools across Brighton and Hove to teach emotional regulation. It uses four differently coloured zones; red, orange, green and blue. Children are taught how each zone might feel in their brains and their bodies. The aim is to lift the pressure of ambiguous emotion language, and focus on identifying zones and strategies to be ready to learn or play. If you would like more information on how Just Right is used in your child's class, please contact your child's class teacher or the inclusion team.

# Lets Dance at the Brighton dome 2026

What a fabulous evening at The Dome! Children from Hove Learning Federation (Year 2 and 5) took part in a combined dance routine prepared by Michelle Britton. They showed their best moves on an 80s prom night inspired choreography. They clapped, danced and smiled all the way through!

They made us all very proud and we were delighted to see them own the stage floor.

Congratulations to all our performers and thank you parents and carers for your support. Here are some photos of the evening.

# Fizzpop science workshop

Our School road infants had the amazing opportunity to take part in Fizzpop science workshops!

The children spent some time in their day making rockets using straws. The children learnt about force's. The workshops revolved around the principle that every action has an equal and opposite reaction. i.e. the force being blown into the straws leads to the rocket being propelled upwards.

# PaCC award (Parents and Carers Council) for SEN

We are delighted to share some wonderful news with our school community. Hasret Acar who is a parent and learning support assistant has been recognised for her outstanding contribution to the SEND (Special Educational Needs and Disabilities) education sector.

The Parent Carers Council (PaCC), a group that represents and supports families of children with additional needs and disabilities, hosts annual awards to celebrate individuals and organisations who go the extra mile for SEND families. We are incredibly proud to announce that Mrs Acar was nominated by parents and went on to win an award in recognition of her excellent work supporting children with special educational needs.

The awards were presented at an informal public event held on Tuesday 17th March 2026, bringing together families and professionals to celebrate these inspiring achievements.

We are very fortunate to have such a dedicated and compassionate member of staff in our team, and we are thrilled to see her hard work acknowledged in this way. A heartfelt thank you to the parents who took the time to nominate her.

# BBC 500 Words competition

Rachel Harris T/A at SR was a volunteer judge for the BBC 500 Words Competition and amazingly won a place to see the Grand Final being filmed at Windsor Castle. It was truly a fabulous day out with a good smattering of celebrities. Bradley and Barney Walsh, Jodie Whittaker, Sarah Cox, Lenny Henry, Big Zoo, Paddington and a couple of Gladiators thrown in to name a few. The winning stories were incredible and prizes given by Queen Camilla herself. Followed by an Afternoon Tea with the Queen in attendance to meet the children and photo opportunities.

*The Master of the Household  
has received Her Majesty's command to invite  
Mrs. Rachel Harris  
to an Awards Ceremony and Reception  
to be given at Windsor Castle  
by The Queen  
for the BBC 500 Words Competition  
on Wednesday, 25th February, 2026 at 2.00 p.m.*

## Anti-Racist Community Group

Our Spring term Anti-Racist Community Group meeting took place on Wednesday this week. As always, thank you so much to everyone who joined us in sharing ideas, feedback and experiences in such a collaborative, supportive, and positive environment.

Slides from the meeting have been shared separately via email.

Our next meeting will be in the Summer term, and we'd love to see you there - details to follow nearer the time.

## Building Voice Pupil Group

We also had our 'respectful, unique, talented, cat's pyjamas group' (named by the children!) 'Building Voice' pupil session on 18th October. We shared our global based connections and multiple heritages and took part in a role play activity involving real life scenarios & super heroes.

Catrin Pearce and Rachael Dawson (PSHE and Anti-Racist Leads)

# Staff Spotlight

We are Team PSHE! We are:  
Miss Kemp-Harris (Holland  
Road Site EYFS, Mrs  
Dawson and Mrs Pearce  
(Portland Road Site Y6)

This newsletter **PSHE Teams** value is **Equality!** But what is Equality? Equality is ensuring everyone gets what they need, rather than everyone getting the same. We are passionate about everyone in our community being respected, celebrated and cared for equally in ways that work for them.

# “Equality”- Reflection points

Here are some engaging reflection points that can encourage and inspire our children to be mindful of equality:

- **Take the time to learn about your friends using curious questions.** Perhaps you have a friend who is bilingual, eats different food at lunchtime to you, or has a family that is different to yours. Ask curious, kind questions to broaden your knowledge of people who have differences to your life.
- **Celebrate differences and similarities-** We have far more in common than things that are different. Take time to find out interests, hobbies and even favourite TV shows with someone new. You'll be amazed at how many things we all share in common
- **Safely challenge inequalities where you see them.** If you see unkindness in our community based on how someone looks, their gender or something else, tell a trusted grown-up. If you feel safe to, you can gently challenge inequalities by flipping the script: 'People should be allowed to have any favourite colour they want', 'Actually, we are all a community at our school', 'I wonder why you feel that way?'
- **Remember to celebrate you!** You are unique and that should be celebrated-take time to enjoy all of the things that make you, you.

## Here are some ways we can model equalities at home:

1. **Visit an exhibit at the museum** - Brighton Museum has an array of exhibitions on that can broaden your world view and most of them are child-friendly. If you live in the city, bring proof of address for a 30% discount-tickets are valid for an annual pass!
2. **Share new music-**Have a kitchen disco to music you haven't listened to before. Try songs in another language to bring the world to your home!
3. **Learn about Spring Festivals-**Spring is a key time of year for festivals for an array of faiths. Find out about Ramadan and Eid, Easter, Passover, Holi, Nowruz, Chet and the Spring Equinox. Create decorations or try food from different traditions.

Learning about equalities across our community is a great way to learn more about our city and our world. If you try any of the above, we'd love to see your photos!

Please continue to keep in contact with us – should you have any questions or concerns, contact us via the following:

### Hopscotch Holiday Club at School Road:

As you will be aware, Hopscotch Holiday Club were hoping to be up and running at our School Road site in time for the Easter holidays. Unfortunately, due to their Ofsted registration not being returned in time, this has not been possible.

Whilst this is not the outcome they were hoping for, it does give them additional time to plan and prepare the best possible holiday club for the May half term.

In the meantime, they still have spaces available to book at the Holland Road club, and we would love for you to join them there. If you have any questions, please contact them at [holidayclub@hopscotchmail.com](mailto:holidayclub@hopscotchmail.com).

# Volunteers needed for the Reception year Spring Disco!

Thursday 26th March  
3.45-4.45pm

# FRED THE SHED

Fred's shed is a school community non profit sharing shed that can help with non perishing items to those who are finding it especially hard in the current climate.

Our aim is to help as many families in our school community as possible and it is run by volunteering parents and carers, the sharing shed completely relies on donations of non perishable items which can be dropped into either school reception areas.

**OPEN** every Friday  
after school  
along with Fred's free bakery  
which comes from generous  
volunteers from Olio

Fred's shed is located in the juniors front playground just next to the main gates

If you don't feel comfortable with approaching the sharing shed, please email our anonymous email address [fredshedschoolroad@gmail.com](mailto:fredshedschoolroad@gmail.com)

and items can be requested and left in the school reception area.

If you'd like to support Fred's Shed with your time, contact [fowhis@gmail.com](mailto:fowhis@gmail.com)  
To keep Fred stocked, there are collection bins in both school receptions.
