Flu Vaccination:

The Immunisation Service will be visiting school on Friday 6th November to offer the nasal flu vaccination and an email containing information about the vaccination, along with relevant links, was sent home on 29th September. Please note that **you must complete a consent form**, whether you **consent to or decline** your child receiving the vaccination.

To complete the form, please follow the link provided in the e-mail sent on 29th September, enter the school code, which can be found in the attachments.

Complete and submit the consent form by 11.00am on Wednesday 4th November.

World Mental Health Day tomorrow:

A reminder that it is World Mental Health Day tomorrow and we invite all children to come to school wearing yellow. Throughout the day, the children will take part in a range of fun and meaningful activities focused on wellbeing and mental health.

Parents and carers are also welcome to support our school wellbeing projects by making a donation through ParentPay. Thank you for your continued support!

Donations of good-quality play equipment:

As a school, we would be hugely appreciative of any donations of good-quality play equipment suitable for children of all ages. Our funds for purchasing additional play resources are limited, so every donation really does make a difference to the play opportunities and environments we can provide for our children.

As we begin the lead-up to Christmas, if you are having an autumn clear-out at home, we would be very grateful for any good-quality items that you no longer need.

I have created a poster with some ideas of the types of resources we would welcome, but this is by no means an exhaustive list! Thank you, as always, for your continued support of our school and our children.

SPOR-T Learning:

A reminder that all bookings for activities run by SPOR-T Learning re-open on Monday 19th October from 9.00am. Bookings always re-open on the last Monday of every half term.

Year Group Messages

Year 1:

Parent/Carer Phonics talks:

Join us for our Year 1 Phonics Workshop on 14th October at 8:50am in the computing suite.

You will get information on your child's continuing reading journey, including; how we teach reading, how to pronounce sounds correctly, and pick up quick, easy ideas for reading at home. We will also briefly explain the Phonics Screening Check held in June. We hope to see you there!

Years 3-6:

Parent/Carer Maths Workshops:

We would like to invite you to join one of our Parent Maths Workshops, designed to give you an insight into how we teach maths in school and provide you with strategies to help support your child's learning at home.

The workshop is being held tomorrow, 9-10am. We look forward to welcoming you!

Year 6:

Kings School Primary Transition Discussion

There will be a discussion on the transition from primary to secondary school held at King’s School on Thursday 15th October, 4.00-5.00pm.

Please e-mail head@kingsschoolhove.org.uk if you wish to attend.

Year One Parents/Carers

During the week beginning **12th October**, the children will be making a fruit salad as part of their Design and Technology work.

We would be very grateful if each child could bring in one piece of fruit to contribute to our class fruit salad. The children will have the opportunity to wash and cut the fruit safely in groups before enjoying and evaluating their delicious creation together at school. 🍷 🍇 🍓

Thank you very much for your support!

FIZZPOP SCIENCE

Experiment! Discover! Inspire!

Our After School Programmes are designed to inspire our children towards gaining an interest in the Sciences. Our workshops are a mixture of exciting demonstrations and thought provoking hands-on experiments and tasks.

Please Note this is repeat the sessions run in September.

School: Hove Infants Holland Road KS1
Day and Time: Fridays 1520-1620
Dates: 6/11, 20/11, 27/11, 4/12, 11/12
(skipping 13/11)
5 Week Programme Cost: £46

'Out of Our Senses' - Sensational Science!

'TASTE BUDDIES'

Finding out about flavour is the aim of this session, we explore the reasons why we like some food and drinks, but not others. We will even make sherbet to help investigate what makes our drinks fizz and more acidic.

'SNOTTY SCIENCE'

The body is under attack from dangerous germs and we must protect it! Find out about this seasons must have mucus and how it protects us from the dangerous invaders all around us. Just in case, take some extra home with you as well.

'SHOW ME THE LIGHT'

Become illuminated as we split apart light into rainbows. Discover how light travels and how it can be used every day. Discover invisible messages that are hidden in plain sight to help keep us all safe.

'GO WITH MY GUT'

Follow food down into the belly as we enter the guts and digest the inner workings of our body from dinner plate to toilet bowl. Find out how the body gets as much as we can by eating and what waste we leave behind.

'I CAN'T BELIEVE MY EYES'

Seeing is not always believing! We open our eyes to the wonderful world of optics and the workings of the brain. We will see how our brain plays tricks on us to see things are not really there!

FUN GRADUATION!

Hopefully we have opened your eyes to the world around us! You will be rewarded with a certificate and a special gift in this fun-filled SOUND session.

Terms and Conditions - Refunds can only be given for cancellations made seven days prior to programme commencing. Any cancellations not made within this period will be charged £5.00 administration fee. No reimbursements will be given for any child asked to leave the programme due to bad behaviour. Refunds can not be given for children missing sessions. Programmes may change without prior notice, however every effort is made to keep to workshops as those stated above.
